Minden Echo & Haliburton Recorder

Stirring Election Campaign Going On In Dysart

The Nomination Meeting for the Dysart Municipal Council, held in the Auditorium of the Community Arena on Friday evening last, attracted a crowd of 125 rate-payers drawn from every section of this large municipality.

When the smoke had cleared away Reeve Roy Brohm had received an acclamation for another two year term, but all other offices on Council and School Area Board are being keenly contested.

Nominated were: For Reeve - Roy Brohm; For Deputy Reeve - James Cooper, Holly Sisson; For Councillors - Ward I, Harold Bannon and H. Curry Bishop, Ward II, Lloyd Coneybeare and Elizabeth Nicol, Ward III, A. H. (Bert) Curry and Lawrence Morrison; Dysart School Area Board - Keith Carnochan, Terry Hicks, Noel McNeill, Leonard Salvatori; Monmouth - Glamorgan School Area Board - Faye Martin, Murray Scott.

It might be explained here that under the new school setup that Harcourt ratepayers have one representative on the Monmouth-Glamorgan School Area Board.

NOMINATION NOTES
Reeve Roy Brohm expressed his pleasure of again having the opportunity to serve as Reeve of Dysart et al, and gave an outline of what had been accomplished in the Municipality. While there were some things that remained undone, progress in this township was very evident.

Deputy Reeve Walter Hobden who had served us well as Deputy Reeve, regretted that circumstances were such that he was

not able to continue on as a member of Council.

Councillor James Cooper, who is now a candidate for the position of Deputy Reeve, outlined the steps taken over the past two years to improve conditions in the municipality and also touched on the matter of Hyland Crest Home and the help and comfort that it provides those in the twilight of their lives.

Councillor Lloyd Coneybeare drew attention to our Centennial project, the new Public Library, which had its official opening ceremonies on Sunday last. Lloyd said that it had been a pleasure to sit on Council over the past two years and hoped to be able to serve another term.

Councillor Harold Bannon who has just completed his first term as Councillor for Ward I, gave a report of what had been accomplished in Haliburton with regard to street lights, roads and sidewalks, and while much had been done he would like to see a couple more projects completed in the near future.

Holly Sisson who is in the running for the position of Deputy Reeve, stated that he had listened to accounts of what Council had done, but he knew a lot of things they had not done and if elected he would try and have some of these things done.

Curry Bishop who is contesting the seat on Council for Ward I stated that if he was elected he was of the opinion that he could save this municipality thousands of dollars.

Elizabeth Nicol who is contesting the seat on Council in Ward

I reminded the electors that she had filled the positions of Councillor, Deputy Reeve and Reeve, and felt that she was well qualified to serve the ratepayers on the 1968 - 69 Council.

A. H. (Bert) Curry who is campaigning for election of Councillor for Ward III, stated his pleasure at being nominated for both Councillor and Deputy Reeve. Bert said that he had tasted both victory and defeat in political campaigns and was prepared to abide by the decision of the electors on December 2.

Lawrence Morrison who has served on the School Board and Dysart Municipal Telephone System said that while a newcomer as far as Council was concerned that if elected he would do his very best in the interests of the ratepayers.

Leonard Salvatori, Chairman of the Dysart Township School Area Board, gave a most comprehensive report touching on such subjects as finance, grants, school enrolment, transportation, and the new methods of instruction which are changing so rapidly that one is hard put to keep up with them.

Mrs. Faye Martin who is the representative for Harcourt on the Monmouth-Glamorgan School Area Board, thanked those who had proposed her name for another term on the board, and stated that she hoped she would again have the opportunity of serving in this capacity.

Mrs. Elizabeth Hobden who is leaving this area, spoke of her pleasure of having been privileged to sit on the School Board

for the past two years and said she regretted that circumstances permitted her from continuing. Mrs. Hobden forecast many of the changes that we could look for in our school system in the not too distant future. We gathered from her remarks that while some changes are already in evidence more extensive alterations can be looked for. The Echo will miss the interesting accounts of school meetings that Mrs. Hobden provided from time to time.

Keith Carnochan, member of the Board, thanked those who had proposed his name for re-election, and promised if the ratepayers gave him their support that he would look after their interests to the best of his ability.

Noel McNeill who was nominated for the School Area Board stated his reasons for doing so, citing that he was a parent of a child attending school, a property owner, a teacher and a resident. The speaker said that he was concerned that our children get the best education possible and that our tax dollars would be expended wisely toward this end. As a resident he felt that as much control as possible in educational problems should remain in local hands.

Murray Scott, candidate for the Monmouth-Glamorgan School Area Board, stated his concern regarding school matters in his area and asked all parents in the Harcourt area to be present at a meeting called on Tuesday evening for the purpose of discussing school matters.

During the question and answer period Mr. Stan Roberts remarked that the Council claimed that they had now taken over the main street. Stan claims this is in error and says the businessmen have taken over our main thoroughfare and continue to park their cars in front of their business establishments so no one else can get in to do business. The speaker also stated that the dumps in Donald and Haliburton were a disgrace.

Mr. J. Douglas Hodgson wanted to know why Council had not passed a zoning by-law, as he stated that you could build a home costing \$100,000 in Haliburton and sooner or later someone could establish a junk yard or wrecking business next door thus devaluing your property by thousands of dollars. Mr. Hodgson remarked that though the value of your property went down your taxes went up. Just try and get any redress in this matter, said the speaker, and you will find it a hopeless case.

Mr. Murray Fearrey asked Mr. Leonard Salvatori if it was right that the School Area Board was considering the building of a new central school. The Chairman of the School Board said that the life of the present School Area Board would not likely be more than a year, as after that, under the new proposed educational setup, elementary and secondary schools in the County would come under one board. It would be impossible for any board to consider the construction of such a building in that short a time.

New Senator Takes On New 'U' Group

New Senator-Rouyn is planning to run a geological reconnaissance survey over its recently acquired uranium prospect in Dysart Township, Haliburton area, South-eastern Ontario. The survey, estimated at \$5,000, has been recommended by J. C. Dumbrille, consulting engineer.

The property, located northwest of Haliburton, has been acquired for possible real estate development if exploration results do not warrant further work. P. D. Hattie, President, advises.

A total of 14 holes have been completed on an extensive sulphur prospect jointly held by New Senator and Peel-Elder near Truro, Nova Scotia. Five holes picked up non-commercial sulphur mineralization and joint holdings have been reduced from 1,060 claims to 560.

No further work is planned until studies of the area have been completed.

Two drill holes have also been completed on the base metal prospect adjoining south of Tribag Mining in the Batchawana area, north of Sault Ste. Marie, Northern Ontario. No commercial values were intersected.

An option on a 48-claim molybdenite prospect in Dorion Township, Greenwich Lake area, Northwestern Ontario, has been dropped and an 18 claim copper prospect in Home Township, north of Sault Ste. Marie, has been abandoned.

Exploration by McIntyre Porcupine Mines on New Senator's uranium prospects in Northwest Alberta is continuing.

(Northern Miner)

Monmouth Election On Monday

The Nomination Meeting for the Township of Monmouth was held on Friday, November 24, and following is the list of candidates who qualified for election, which will be held on Monday, December 4, 1967:

FOR REEVE

K. Gary Agnew, Wilberforce
Lloyd Cully, Tory Hill

FOR COUNCIL

Willard Dack, Tory Hill
T. E. Deterling, Wilberforce
Mrs. Irma Dunford, Tory Hill
Mrs. Margaret Finlay, Tory Hill
Warren Mitchell, Tory Hill
James Miller, Wilberforce
Wilbur Sanderson, Wilberforce
Reg. Schofield, Wilberforce
Fred Taylor, Wilberforce

Mrs. Marion Tallman of Wilberforce was elected by acclamation for School Trustee.

The meeting was well attended this year and all were given an opportunity to voice their opinions on present operations of the municipality.

Reeve K. Gary Agnew and

Councillor T. E. Deterling were the first two to be called, and they gave a very thorough coverage on the past year's work, also a glimpse of what we may expect in 1968. Mr. Murray Agnew presented an interesting picture of the School Board's future in this area.

Many others spoke briefly, and the meeting adjourned at 10:30 p.m.

ADVERTISERS PLEASE NOTE

The Annual Christmas Edition of the Haliburton County Echo will be published on Thursday, December 21. If you have not already been contacted and wish a Christmas Greeting Ad, please phone the Haliburton County Echo 350W, or contact Charles Brandon in Minden.

C.N.I.B. Passes Local Objective

On behalf of the 16 registered blind persons in the County of Haliburton and the 24,698 in Canada and the Canadian National Institute for the Blind, I want to thank the many donors and the approximately 50 canvassers who have made the campaign for funds such a marked success.

The total received to date is \$1,585.37 with three canvassers to hear from. This is well in advance of the \$1,500 objective for the County.

The campaign captains were Mr. Ross Harrison, Carnarvon. Mr. Archie Stouffer, Minden. Rev. R. Carder, Haliburton, and Mr. Ronald Barr, Gooderham. If you were missed by the canvassers and still wish to donate, any of these men or the Treasurer, Mr. E. Wilson, Bank of Montreal, Haliburton, will be pleased to receive your donation.

Archie Stouffer, Chairman, Haliburton County Advisory Committee, C.N.I.B.

Highway 35 Construction

We notice in the Toronto Globe & Mail that tenders have been called for highway construction on Highway 35, 7.7 miles south of Highway 118 at Dorset, southerly a distance of 8.6 miles, including Ox Narrows Bridge. Approximately \$1,500,000 will be spent on the above project.

Letter To Editor

November 27, 1967.

Dear Mr. Editor:

I don't know who you are, but I don't remember asking just anybody to comment on my letter last week, and your letter sounded a little sarcastic!

Since you felt duty bound to put your two cents worth in you could have thrown in a couple of extra pennies and answered all my questions.

If I was wrong in interpreting your meaning then I apologize, and some questions remain unanswered.

Sincerely,
Elizabeth Nunn.

Official Opening Of New Library

The Official Opening and Dedication of the Haliburton Centennial Library took place on Sunday afternoon last. Despite the event was held in anything but desirable weather a fair crowd was on hand, and we are sure that all those in attendance were highly impressed by the fact that after many years we have a Library to be proud of.

Proceedings commenced by the singing of The Queen. Councillor Lloyd Coneybeare then welcomed those in attendance and introduced the dignitaries, after which Mrs. Myrtle Cadell, Chairman of the Library, addressed those present, as well as Reeve Roy

Brohm and Harold Bannon, Councillor from Ward I.

Greetings from the County Library were extended by Mr. Noel McNeill, and Mr. R. Glen Hodgson conveyed greetings from the Provincial Government.

The Service of Dedication was conducted by the Rev. R. Carder, and the Official Opening and the Cutting of Ribbon was performed by Mr. William Scott, M.P. Mr. R. Glen Hodgson unveiled the Plaque, after which the Presentation of the Keys was made by Councillor James Cooper.

The singing of O Canada and the raising of the Flag concluded the programme.

Letters To The Editor

Gooderham, Ontario.
November 27, 1967.

Mr. Berkeley Feir, Editor,
Haliburton County Echo,
Haliburton, Ontario.

Dear Mr. Feir:

Since a number of citizens of Glamorgan Township and perhaps some in other areas who take an interest in the affairs of this Township are under the impression that the article entitled "Glamorgan Nomination Meeting" in the November 23rd issue of the Echo was submitted to your paper by Township staff, namely myself, I should like to state that this is not so. Furthermore, since some of the names were listed incorrectly, I am listing below the names of the candidates who were nominated:

Standing for Election *
Elected by Acclamation A

REEVE

Victoria R. Agnew *
Willard Billings *

COUNCILLORS

Glen Bird *
James E. Dewey *
Robert L. Fotheringham *
Allan Hadley *
Henry A. Lampert *
Harry P. O'Keefe *
Dallyn Pickens *

SCHOOL TRUSTEES

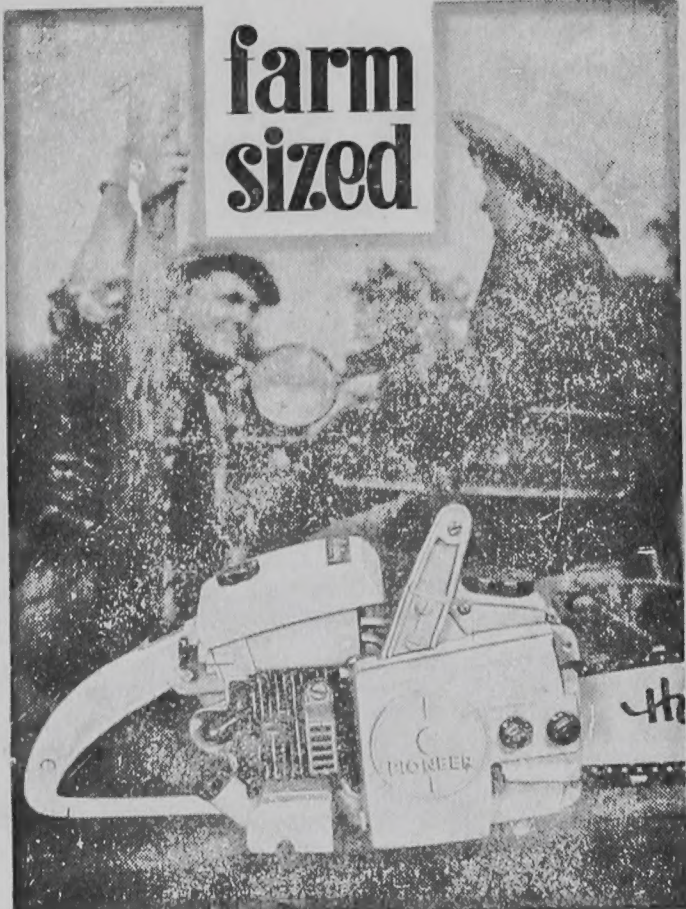

Harry N. Bates A
Marjorie Billings A

Another point which has caused some concern to a certain group of people is the fact that when our Nomination Notices were first posted only one School Trustee was asked for and at the Nomination Meeting two School Trustees were nominated, filed their qualifications and were elected by Acclamation. This is explained by the fact that I received notice from the Sec.-Treas. of our Area School Board that our School Trustee, whose office did not expire until December 31, 1968, had resigned. This automatically created a vacancy in this office and on the day that I received notice of this, I changed all FIVE Nomination Notices in the village accordingly. At the Nomination Meeting, a column on the blackboard which was used to post the names of candidates was headed "School Trustees" (plural). Please, fellow citizens, look before you leap!

To you, Mr. Feir, our thanks for giving us space in your paper to clarify these points. We hope to the satisfaction of those interested.

Yours truly,

Elva V. Bates, Clerk-Treas.,
Township of Glamorgan.

HALIBURTON — ONTARIO

GOODERHAM

One day last week a Ski-Doo passed through town with a bear draped over the back.

Although hunting season is over, the stories linger on. Bill Sarganson, our worthy chief at the Department of Lands and Forests, tells how he got his buck the first day and a bear on the second day, and that he has been dining on bear steaks ever since. Having a lost hound he asked passing hunters if they knew whose dog it was, and they answered: "Why, that's Old Blue". However, it really was a well known hound belonging to one of the hunt clubs near Harcourt.

Hunting season guests at the home of Mr. and Mrs. Willard Billings were Mr. Jack Mintz of Sandridge, Mr. George Mintz of Moria, Mr. Harold Munroe of Layton, Mr. Leslie Billings of Lanark, Dr. Jules Sobrian of Omamee, and also Jimmy Hartin.

Weekend visitors at the home of Mr. and Mrs. Glen Bird were Mr. and Mrs. Max Bird and family of St. Catharines.

Callers at the home of Mr. and Mrs. Allen Hadley were Mr. and Mrs. Graham of Markham and Mr. and Mrs. Knowles of Furnace Falls.

It is with sincere regret that we learned that Mrs. G. G. Hadley is in the Ross Memorial Hospital with a fractured hip. Her friends all wish her a speedy recovery.

Mr. and Mrs. G. W. Barr were in Lindsay last week, with Mr. Barr attending an Odd Fellows dinner meeting.

We are sorry to hear that Mr. Dennis Trovis is at present in the Civic Hospital in Peterborough.

Huskies Hit Stride, Defeat Lakefield Twice

It was a profitable weekend for the Haliburton Huskies. With the league being very tight after the first few games the Huskies grabbed four very important points to give them first place in the standings.

Friday night the Huskies played their finest hockey of the season and downed the Lakefield Coyles 9-5. Lyle Sawyer scored three for the winners, Craig Stamp got two and Larry Sawyer, Craig Morrison, George Simmons and Neil Hewitt scored the rest.

The Huskies took a 2-0 lead in the first period only to have the Coyles tie it up. The second period saw the Huskies explode for six goals and end the period 8-4. With some fine combination hockey the local boys overpowered Lakefield, and if it wasn't for some fine goaltending by Little the score could have been much higher.

Craig Stamp picked up three assists for a total of five points. The big centreman, only 15 years old, is playing some fine hockey and seems to be improving with each game.

Saturday evening saw the Huskies down the same Lakefield club to the tune of 6-1. It was another well played game by the Huskies as they seem to be hitting their stride after a pair of lacklustre efforts last weekend.

The score should have been higher, but several of the Huskies muffed sure scoring opportunities. George Simmons and Lyle Sawyer gave the Huskies a

two goal lead in the first period, with Maxwell notching two and Jim Allen one in the second. Brown for Lakefield scored their only goal in the second also. Craig Morrison rounded out the scoring in the third.

The Huskies defence pair of John Robinson and Mike Easton have been playing very tough hockey for the Huskies. Larry Hartin played a very steady game in the Husky goal, and received the number one star of the game. Nichols of Lakefield and Maxwell of Haliburton received the others.

This Friday night will be the Huskies' home game when the Stouffville Clippers will be the visitors. Game time is 8:30 p.m., and the Huskies are hoping for a large crowd to cheer them to the top spot.

SLAPSHOTS — After four games Craig Stamp is leading the Huskies in scoring with two goals and nine assists for 11 points. Lyle Sawyer is the leading goal scorer for the Huskies with five. Both boys are off to a fine start. John T. Smith won the turkey and Sid Johnson and Blake Sisson were the contestants in the Shoot-To-Score Contest, with Blake winning \$200. Remember the big game on Friday night at 8:30 - Stouffville Clippers.

ARMPITS AND YANKS

Just a few observations on life in general this week. I have no particular theme in mind, but it will probably have emerged by the time we've finished this chore (me writing, you reading).

It's fashionable to attack the Yanks, so here goes. I think they're giving us a bum deal in merchandise. If I were a politician, my platform would be, "Let's fortify the border!"

Every year we send them about 80 percent of our best people: artists of all kinds, university professors and engineers. Better known as the Brain Drain. And every winter we send them our rich people, hundreds of thousands, to bolster the sagging economies of Florida and California. And what do they send us? Draft dodgers.

Deer hunting. A lot of people are against it. Not me. In fact, if I weren't a teacher, I'd take a week off every fall and join the great slaughter of the deer.

Slaughter? There are 10 times as many people killed on the highways as there are deer in the bush. I thought the species would be wiped out (deer, not people), I'd fight it. But the deer population is increasing, chiefly because there are so many lousy hunters.

I admit that no completely sane man goes deer hunting. Why would anybody go into the woods in the worst weather of the year, wind and snow, rain and blow, to wander through miles of swamp and slash, swale and burn, dragging a dirty great musket and straining his heart to the bursting point, when he could be sitting at home watching a football game on TV?

Why? I'll tell you. Because it's the only place in the world where he can escape from committee meetings, a nagging wife, a shrilling telephone, and rotten kids with personality defects.

It's the only place in the world where he can get back to the primitive pleasures of man: rude jokes around the fire; a sense of companionship that has nothing

to do with money or position; the feeling of battle against the elements; the absence of all stress except the physical; the eating of half-burned meat; the belching and breaking of wind; the dreamless sleep of an animal after a day of exhaustion.

The killing of the deer is unimportant. He has proved to himself, by George, that there's a little juice in the old carcass yet, that he can take it without whining, and that he's liked for himself, not because he can do something for somebody.

This brings us, by a logical association of ideas, to modern theatre. It's concerned with the very same thing: a man trying to prove himself. The deer hunter would laugh at the playwright, and the playwright would laugh at the deer hunter. Each would think the other was emotionally crippled.

I saw a play last weekend that would have made my little old mother's hair stand on end. Even though she wouldn't have understood it. It is called *Fortune and Men's Eyes*. Some of the language was straight off the walls of a public lavatory.

It's a play that will shock and sicken some people. And perhaps this is not a bad idea. It has pathos and a macabre humour. But lavatory walls are a part of life. There's no sand to put your head in. Only the toilet bowl. And, while this is one way of washing your hair, it is not highly recommended.

This, again by a logical association of ideas, brings us to hair. Hair on head is good. We'll agree to that. The balding man suffers. The balding woman dies a thousand deaths. Hair on legs is good if you're a man, bad if you're a girl. Same with arms. Chest? No question. How about armpits?

Armpits take us back to deer hunters, and deer hunters to draft dodgers, so the circle is almost complete.

And my students, when I give them an essay to write, say, "But sir, what can I write about?" Answer: if you want to be a writer, write.

The reason I'm a bit misanthropic this week is that it's snowing. I hate snow.

CARNARVON

Mr. Jack Gregory has joined his wife in Ottawa and they are spending a few weeks with their son.

Mr. and Mrs. Max McKay and Mrs. Ernie Eastman spent Tuesday in Lindsay.

Mr. and Mrs. Ross Hussey of Toronto spent the weekend with Mrs. Nina Hussey.

Mr. and Mrs. Hal Burton and Mrs. Alex Hewitt spent Thursday in Oshawa where they visited with the Wilf Hewitts.

Mr. and Mrs. Cliff Skelding and family were weekend visitors in Toronto.

Spending the weekend with the Ross Harrison's were Mr. Tom Harrison of Sudbury and Miss Carol Prosavick of Toronto. Mrs. Harrison was hostess to the executive of the Haliburton Art Group on Saturday afternoon.

Mr. Colin Russell of Sudbury was home with his parents over the weekend.

The Fellowship Group of the U.C.W. met on Monday night at the home of Mrs. Bill Chambers.

When the party's over
a Cascade 40
electric water heater
can have its finest hour

Seven-year-old socialites have a way of leaving more than a gift at a party: ever been stuck with a tutti-frutti-topped tablecloth?

These are the times a Cascade 40 can really win you over. It provides all the hot water you need to suds up a strawberry-speckled party dress, its chocolate-cheeked owner, and the pile of party paraphernalia you'll be left with.

A Cascade 40 electric water heater may not make the party . . . but it could save the day. For more information, ask your Hydco.

Winner In Safety Poster Contest

Seven-year-old Denise Gauthier, a Grade 2 pupil at Fairview School in Smith Township, was the winner of the "Lucky You" Safety Drawing Contest.

She chose to draw "Shootibus", an "unlucky" figure in a safety film shown to pupils in Grades 1 to 2 in 43 rural schools, from which the children were asked to draw a character.

The film taught its young viewers some safety pointers — mainly to stay away from fire, guns, climbing, knives and traffic.

The 2,300 entries locally were judged by members of the Peterborough County Farm Safety Council.

Laurie Barker, 7, of St. Joseph's School, Otonabee, was the Grade 2 winner. Henrietta Landman, 11, of St. Paul's School, Lakefield and Soenke Koerber, 10, of Westwood School were Grades 3 and 4

winners.

Instituted this year, the idea behind the "Lucky You" film and contest came from the Ontario Provincial Police Traffic Safety Branch Headquarters in Toronto, and specifically from the thinking of a Cpl. D. J. Robson of that branch.

More than 90,000 posters were drawn by Ontario children in the contest's first year, and inquiries for information on the safety course have come from across Canada and as far away as Australia.

The film was shown in 282 schools of Durham, Northumberland, Peterborough, Victoria and Haliburton counties.

O.P.P. Cpl. Tom Armitage was responsible for the program in this area.

(Peterborough Examiner)

WILBERFORCE

NEWS NOTES

The nominations for the election of the new Reeve and Council for the coming year was held in Wilberforce last week. The Township of Monmouth Ratepayers' Association has nominated its slate and we ask all our members to support us in our endeavour to elect a new Reeve and Council that will at least pay some attention to the requests of the ratepayers, whether by a petition or a meeting, and will endeavour to keep the tax rate down. As you all know all our requests have been brushed aside and your elected representatives this year have not seen to it to listen to the requests of the people. Your association requests your support in electing the fol-

lowing: For Reeve - Lloyd Cully; For Council - Irma Dunford, Warren Mitchell, Wilbur Sanderson and Margaret Finlay.

We were in Tory Hill a couple of weeks ago and saw the new Fire Hall, noticed the light was on all the time and that the door was boarded up and covered with a sheet of plastic. What do you do in case of a fire?

Noticed how popular Ski-Doos have become in the past five years, saw five in a bunch when we were up in Tory Hill. Have not had a ride on one so far, but hope to do so one of these days. Heard of one lady who went for a ride on one and had to walk home! No, the motor conked out. Hope to see a lot of my friends

when I come up to Wilberforce for the Election on December 4.

In looking through the Voters' List the other day I noticed that a number of people who have been taxpayers in Monmouth for years have not had their names put on the list, and yet one lady (from Toronto) who was only married on October 7th has her name on the list. As I said once before, its not what you know but who!

CARNARVON

Mr. and Mrs. Raymond McKay of Toronto were guests of the Max McKays for a few days.

H. CURRY BISHOP

WARD 1

To the Electorate of Dysart et al

I have allowed my name to stand for Councillor in Ward I for the following reasons:

I believe that Municipal decisions are rapidly becoming more complex and in many instances require professional assistance and advice. In this respect I would consider my training as a Civil Engineer, along with my postgraduate studies in Planning & Highway Engineering at the University of Toronto to be of considerable assistance in the operation of Municipal Government & Services. In addition, my experience with Municipal Act, properties & property law, along with my dealings in the past through the normal course of my business with various government departments on matters of Municipal importance, should prove to be invaluable in my role as a member of your council. In fact there have been projects already inaugurated with which my technical training and experience should prove a benefit and perhaps even a definite advantage to our municipality.

I will endeavour to cope with, not only the normal functions of Municipal Government, but with those which should be initiated in order to avoid the many pitfalls and indeed expensive pitfalls which do arise from the lack of proper planning and foresight.

I have, and will, contribute my time and effort to the best of my ability for the betterment of our community and the good of all.

I shall guard the interests of all without personal prejudice.

When elected I shall expect the citizens of this ward to discuss their problems with me so that they might receive proper consideration.

I humbly solicit your support on Saturday, December 2, 1967.

H. CURRY BISHOP.

CHURCH NEWS

BAPTIST WORLD'S DAY OF PRAYER

The Baptist Women's World Day of Prayer, November 6, was observed in the West Guilford Baptist Church by the women of Haliburton, Eagle Lake and West Guilford, as they engaged in an unbroken chain of prayer around the world.

The President of the Ruth Dryden Mission Circle, Eva Howe, using the prepared programme which dealt with Luke the beloved physician, was assisted by Peggy Henderson, West Guilford, Mrs. Buchanan, Eagle Lake, and Stella Walker, Pauline Miller and Wilda LaRue of Haliburton.

Earnest prayer was offered by Betty Salvatori, Mable Woodcock, Mrs. Closs Barry and May Ward. The singing was led by Betty Salvatori, with Marie Wallace at the piano.

The eighteen women who met for this hour of prayer and fellowship were united in spirit with their Christian sisters around the world.

HALIBURTON U.C.W.

A very interesting Centennial Meeting of the Haliburton U.C.W. was held in the Church Hall on Monday, November 20 at 8 p.m., with many of the members attired in Centennial costumes.

The President, Mrs. Rea Stinson, in opening the meeting read a poem entitled "A Centennial Hymn For Canada", written especially for this year.

Mrs. Ray Archer was in charge of the worship service, the theme of which was "Personal Devotions".

In answer to the roll call each member responded with her paternal ancestry.

The reading of the minutes of the October general meeting and reports from the Treasurer and the convenors of the various committees followed.

The President's announcement brought to the attention of the members several Coming Events. A poem, "God Pointed His Finger At Me", read by Mrs. Jack Robertson, and a solo by Mrs. Jack Mackay concluded this portion of the meeting.

The highlight of the evening was the presentation by three of the members — Mrs. Ronald Curry, Mrs. Russell Johnston, Mrs. Melville McKnight — of a history of our local church from its earliest beginnings in the late 1800's to the present day. Through a very interesting display of pictures, newspaper clippings etc. and facts gathered from old records one could follow the growth of the church through the years with its succession of ministers and staunch members. On behalf of those present Mrs. Earle Casey

Rev. U. Patrick

of Ohio, U.S.A.,

an ordained Baptist Minister with a message for these troublesome times. Born and raised in Kentucky, ministered in both United States and Canada.

All welcome — If you have special needs, come for prayer. More things are wrought by prayer than this world dreams of.

thanked the ladies responsible for such an interesting programme.

During the social hour which followed each member in costume gave the history of her costume, thus bringing to a close a memorable evening.

RUTH DRYDEN MISSION CIRCLE

Ten members of the Ruth Dryden Mission Circle met Tuesday evening, November 21 in the Baptist Church for their monthly meeting.

President Eva Howe opened the meeting with hymn "King Of Love My Shepherd Is". Psalm 100 was chosen by the President for her Scripture reading, which she followed with prayer.

It was decided that Sunshine Cards be sent to three persons, and a Christmas card mailed to Ruth Dryden. Discussions followed on 1968 Baptist Calendars, our Christmas Party and programme, and on the White Cross Parcel for January.

Mission Study on India was presented by Stella Walker in the absence of Irene Roberts, and Mission Highlights were given by Eva.

Ruby Roberts' Devotional "Prayer Will Accomplish What Words Will Not" had a special message since it followed the regular prayer session in which all members participate. Her text was the 7th Verse of the 15th Chapter of John: "If ye abide in me, and my words abide in you, ye shall ask what ye will, and it shall be done unto you."

We were reminded that Armistice Day, an occasion we think of as a symbol of remembrance and peace, had been celebrated recently, and also that it just a short time since Expo's closing. To those who visited this great Exposition it must have been a stirring reality as to what can be accomplished by a combined effort of manpower and nations working together. Down through our history our nation's leaders have carried their plans and hopes to God in prayer, yet today we sometimes wonder if we have not come to a place where we regard prayer in our national life simply as a tradition.

Ruby closed her Devotional with the following poem:

FOR CANADA

Three things I know must always be
To keep a nation strong and free;
One is a hearthstone bright and dear,
With busy, happy loved ones near;
One is a strong and ready hand,
To love and serve and keep the land;
One is a warm and beaten way
To where the people go and pray.
So long as these are kept alive,
Nation and people will survive.
God keep them always, everywhere,
The home, the flag and the place of prayer.

The meeting closed with the Mizpah Benediction and refreshments were served by the hostesses Eva and Stella.

Tuberculosis & Health Association Meeting

A regular meeting of the Haliburton County Tuberculosis and Health Association was held on Monday, November 2, 1967 with a goodly representation of members and helping hands.

The meeting was chaired by Mrs. M. P. Waddell who announced we would have a brief business session as we were anxious to get on with the stuffing of appeal letters and seals.

The minutes of the October meeting were read by the Secretary, moved adoption by Mrs. Waddell and seconded by Mrs. McManus.

Christmas Seal Chairman, Mrs. Waddell, expressed our grateful thanks to the Wilberforce Public School students and Mr. C. Hughes for the folding of seals, and to the members of the association and Mrs. Roy Howe for folding the appeal letters. Christmas Seal materials were distributed. The display at the Haliburton Library and Bowes and Cocks were finalized.

Case Finding: Mrs. R. Schofield was the volunteer at the Haliburton October Clinic. Possibly due to inclement weather the attendance was smaller than usual. Two hundred questions and answers were given Mrs. Saunders for Clinic use.

Moved by Mrs. Saunders, seconded by Mrs. M. P. Waddell that we publish the new location (Anglican Church Hall) as a paid ad in the Minden Progress, and also that we pay the Minden Anglican Church \$5.00 monthly rental.

Health Education: Clinical notes and Abstracts sent to Doctors and Nurses. "We Recommend That You Do Not Smoke" placed in Doctors' offices.

Mrs. G. V. McManus and Mrs. K. Banton are to attend the O.T.A. Regional Meeting to be held in Peterborough on November 29, 1967.

Moved by Mrs. R. Agnew, seconded by Mrs. N. Howe that the outstanding accounts be paid.

Thanks was expressed to Mrs. M. Kemmerer, Mrs. T. Deterling and Brabara Schofield for their valued assistance, and a motion to adjourn was made by Mrs. R. Schofield, seconded by Mrs. G. V. McManus.

She's Always There

She's always there when you need someone,
Full of laughter, full of fun,
Life goes on and you grow up
And you find you begin to argue with her.
Small disagreements begin to occur,
But soon your on and past that stage
Of the disagreeing age.
The day comes when you must leave,
She has faith in you and what you believe,
When you walk out her door
You find you love her even more;
With her its very hard to part,
Because she gave you your life's start.
You leave her feeling very proud
Of her
The way she's always been there
When things were hard and unfair.
You promise her you'll do your best,
And you pray to God that she'll be blessed.

INGOLDSBY

Recent visitors of Mr. and Mrs. Ed Carpenter were Mr. and Mrs. Ivon Carpenter and family, Mr. and Mrs. Pete Robinson and family, Mr. and Mrs. Roger Bellwood of Fenelon Falls, Mr. and Mrs. Doug Carpenter and family of Lechlin, and Mr. Albert Carpenter of Dorset.

Recent visitors of Mr. and Mrs. Everett Burk were Mr. and Mrs. Bev McElwain and family of Whitby, Mr. and Mrs. Garry Burk and Sonja, and Mr. and Mrs. Wilson McElwain and family of Haliburton.

A wedding shower for Miss Sharon McKelvey of Minden was held on Friday evening at the home of Mrs. Doug Eastman. A number from Minden attended. Sharon received a number of useful gifts.

Mr. and Mrs. Ken Harrison and family of Toronto visited with relatives here on the weekend.

Mr. H. A. Baker of the Hyland Crest Home visited on Sunday with Mr. and Mrs. Ed Carpenter and Mr. Russell Baker and family.

Mr. and Mrs. Jim Burke and family of Toronto visited on Friday evening with Mr. and Mrs. Harry Burke.

Mr. and Mrs. Bert Carpenter accompanied Rev. McCaw of Haliburton to Cookstown recently.

Miss Debbie Peacock of Gelert spent Saturday evening at the home of Mr. and Mrs. Doug Eastman.

Mr. Dick Peacock, Teddy and David of Gelert, and Miss Lorraine Carpenter and Mr. Cecil Burk of Lechlin were recent visitors of Mr. and Mrs. Harry Burke.

We see that Mr. John Francis has started the frame work on his new home.

MINDEN

Mr. and Mrs. Bill Barkwell of Oromocto, N.B. spent several weeks with her parents, Mr. and Mrs. Taylor Kernohan.

Mrs. John Bumister, Scott and Paul of Bay Ridges visited Mr. and Mrs. G. Lazier last week. Her husband John is presently away at Nassau.

Mrs. Helen Trumbull spent a few days last week with Mr. and Mrs. Arnold Richardson of Cobconk.

Mrs. Wm. Cox is showing improvement following surgery at Toronto General Hospital.

Mrs. G. Lazier spent a while with Mrs. John Bumister and family at Bay Ridges.

The ladies of United Church Women had a very successful Centennial Tea and Bake Sale with many looking very colourful in Centennial dress.

Mr. and Mrs. L. McCarey attended a Musical sponsored by the Arts Board of the Borough of East York, Toronto on November 25. Their daughter Cairne gave a recital at that time.

Dr. Edith Newell of Sudbury and Mrs. Bruce Newell and boys of Falconbridge spent the weekend with Mr. and Mrs. Tom Newell.

Card of Thanks

I wish to thank my friends and neighbours for cards and flowers and other gifts received during my stay in hospital. Special thanks to those in the medical profession and nursing staff for their skilled care and kind attention.

Mrs. Norman Harrison Sr.

I would like to thank all my friends and relatives who remembered me with gifts, cards and flowers while I was a patient in hospital, especially Dr. Good, Dr. Arnup and the staff of Ross Memorial Hospital.

James Hie.

We wish to express our appreciation and thanks to our friends and neighbours for being so kind and for the beautiful flowers and words of sympathy shown us in the loss of a dear Mother and Grandmother.

Irene Duncan and Family.

the Canada Pension Plan is one year younger

NOW YOU CAN BENEFIT AT AGE 67

Now you can qualify for your retirement pension under the Canada Pension Plan one year earlier. At age 67. If you've been contributing to the Canada Pension Plan, and if you've retired from regular employment, contact your Canada Pension Plan Office now. The friendly staff will help you fill out the application form that starts your pension cheque coming. They'll explain how your pension is worked out. And when you become eligible. You'll get all the answers to questions about your retirement pension. Payment is not automatic. To receive your pension benefits, you must apply. Application should be made in the Canada Pension Plan Office serving your community.

NOTE: IF YOU ARE AGE 70 OR OVER, AND HAVE CONTRIBUTED TO THE CANADA PENSION PLAN, YOU DON'T HAVE TO RETIRE TO QUALIFY FOR BENEFITS.

The Life And Times Of Clayton Hodgson

(Continued from Last Week)

"A lot of them I bought, but some I bred. We had a very fine group of brood mares on the farm, the best of which I guess was Lady of the Manor. She is the grand-dam of Just Van who ran at Connaught Park."

"Another Hodgson winner to wear the maroon silks was Lou Jean, who took 21 of 23 starts in her first year. Amar Patch, after sold, set a mark of 2:02½."

During the years when Hodgson horses were serious contenders on the Ontario Harness Racing Circuit, C. W. Hodgson kept a breeding farm on the family property at Burnt River. In later years, at the height of his racing career, he maintained a stable on the Graydon Sheldon property near Lindsay with Sheldon, a noted horseman, acting as trainer and driver.

Eventually Hodgson's eldest son Glen took over the stables, but after his entrance in the Ontario political arena he too gave up active participation in racing and turned his interests over to his youngest brother, Louis. Today these horses from Louis' Scarborough farm, "Forest Acres", still carry the Hodgson colours on Ontario's tracks.

For four years, previous to his resignation in November of 1965, C. W. Hodgson was a member of the Ontario Harness Racing Commission which he laboured so long to have set up as a separate board. He also advocated the establishment of night time harness racing in Ontario.

Always dear to his heart was the Lindsay Central Exhibition where, for decades, his horses were contenders. It was a great personal triumph for him that, during his term of office as Secretary to the Minister of Public Works, a grant of \$100,000 to extend its facilities was made to the Lindsay Central Exhibition.

Tom Hodgson, a chemical engineer, built many mills throughout Ontario, including those at Longford, Parry Sound and Donald. In 1916 he was constructing the Hodgson Brothers' plant at Lindsay; his brother, 19-year-old

Clayton, was responsible for mixing the cement.

While he was completing his high school education by correspondence course, the extensive operations at the Standard Chemical works at Donald brought C. W. Hodgson to Haliburton County for employment. A stint in the Standard Chemical Office, as scaler and bookkeeper, gave the young man a chance to learn how much he didn't know about business management. To correct the deficiency he again got a job doing chores for his board while he took a course at Orillia's business college.

The first taste of running his own logging operation came about 1916 when, at Koshlong Lake, he employed 30 men and six teams to take out a cut for John Austin of Kinmount. It included 4,000 cords of cordwood for the Donald Chemical Co., and pine and other softwood logs. He also ran a camp at Bark Lake and Koshlong in Glamorgan Township, where George Pickens used to cook for him, and the foreman, Dave Morrison, in off hours, gave advice to young Hodgson from his own vast store of practical logging knowledge.

One of the last softwood drives to go down the historic Burnt River was sold to Carew's Lumber Co. at Lindsay by C. W. Hodgson, who took about two million feet from Dysart Township's limits south of the Peterson Road; its hardwood he sold to Malloy and Bryans at Haliburton. Hodgson himself, using Frank Austin's boat, took the drive to Canning's Lake where he was met by the Carew foreman, George Howe, with a driving gang.

One of C. W. Hodgson's characteristics was the ability to recognize what had value and persevere until he was able to make it his own. This pattern held when in 1914, in Haliburton village, he met for the first time John Dart's daughter Phyllis, then a school girl in pigtails. He immediately realized that here was his chosen companion for life's journey. Fortunately the attraction was mutual and, in spite of the obstacles posed by the ladies' youth, an association began which culminated in the exchange of marriage vows on November 24th, 1921.

Mrs. Hodgson's grandfather was Thomas S. Moon, from 1892 to 1894 Reeve of the Municipality of Dysart et al. Her mother was a graduate of Minden's famous "Model School" for teachers; she taught for over a decade in Haliburton County's rural schools, among them Maple Lake, Essonville and Eagle Lake. Although she herself took teacher's training, Mrs. Clayton Hodgson chose

instead to be employed as clerk and bookkeeper for George Earle when he purchased a general store in Haliburton. Meeting the public thus proved excellent preparation for her 19 years as wife of an M.P.

Like most Haliburton lumbermen, Hodgson felt the pinch of depression years when, instead of shutting down, he struggled to perfect operating techniques, improving his sawmill's output. In 1932 he had a little mill on the site later chosen by W. O. Bailey for his mill at Eagle Lake; there five men cut from six to seven thousand feet of lumber a day for Hodgson. Richard Burke was the foreman looking after the hauling operation. Rex Boice was woods foreman.

By 1937 Hodgson had moved to Coleman's Lake, arising himself at 5 a.m. in order to drive to the mill where 10 men averaged 12,000 feet a day. His most profitable operation came when, at Haliburton Lake with Tom Lane as foreman, 12 men put out 18,000 feet a day.

Over the years Hodgson bought, lumbered and disposed of limits on the south end of Redstone, Hawk Lake and Haliburton Lake. Since 1941 he, and in later years his son Glen, ran a logging operation and mill at Haliburton Lake. In the early 1940's he purchased, in Stanhope Township, the old Gull River limits of 27,000 acres around Hawk Lake where he logged successfully for a decade. A convert to reforestation for cut-over limits, Hodgson practised what he preached by planting about 50,000 seedlings in the Haliburton Lake area. C. W. Hodgson was for most of his lumbering years an active member of the Lumbermen's Safety Association, serving as President of that organization in 1954.

However, matching wits with lumber wholesalers and running bush camps while developing judgment and business acumen were but a prelude to his main career which began, more or less by accident, in 1945.

After seven years service on the Dysart School Board, a term in 1943 as Reeve of the Municipality of Dysart, and service as a Deputy Returning Officer, which taught him election machinery first hand, C. W. Hodgson's quick tongue and ready wit won him the nomination as Conservative candidate in the forthcoming Federal Election in 1944.

No one really expected him to succeed. For a decade Liberal Bruce McNeven had held the Victoria - Haliburton riding in his pocket and the betting odds said it would stay there, perhaps for 10 years more.

WEDDINGS

HARGREAVES — DAVIDSON

St. George's Anglican Church was the scene of a lovely fall wedding on September 30, 1967 when marriage vows were exchanged between Lynnda Marie, daughter of Mr. and Mrs. Bernard Davidson of Haliburton, and Kenneth Frank, son of Mr. and Mrs. Frank Hargreaves of Scarborough. The double-ring ceremony was performed by Reverend Raymond Carder.

Given in marriage by her father, the bride was radiant in her floor-length gown of ribboned French Petit Point lace enhanced with an empire bodice and A-line skirt accented with an organza bouffant chapel length train caught at the shoulders. She chose a matching four-tiered scalloped bouffant illusion veil worn delicately over the face. She carried a cascade bouquet of yellow sweetheart roses and white carnations.

The maid of honour, Marie Dewey, friend of the bride, and her bridesmaids, Gail Parish and Dawn Davidson, sisters of the bride, chose identical empire waist floor-length sheath gowns of emerald green peau de soie adorned with a matching chiffon float caught at the shoulders with tiny bows. They chose green headresses with matching veils, tinted shoes and white elbow-length gloves. They carried cascade bouquets of yellow and rust mums. The flower girl, Debbie Robertson, niece of the groom, wore an A-line floor-length dress of white peau de soie and carried a basket of yellow and rust mums.

Attending the groom as best man was his brother-in-law, Douglas Robertson. Claude Parish and Earl Bird ushered the guests. Ringbearer was Michael Robertson, nephew of the groom.

During the signing of the register Captain Betty Barnum sang "The Wedding Prayer", accompanied by Mr. William Gliddon.

The bride's mother chose a brown lace sheath and beige accessories with a corsage of yellow and rust carnations. The groom's mother chose a beige dress and brown accessories with a corsage of pink carnations.

Reception was held at the Royal Canadian Legion Hall, Haliburton. Mr. Vance English acted as master of ceremonies.

Following the reception the couple left on a honeymoon to Eastern Quebec.

Out of town guests were from Peterborough, Toronto, Oshawa, Shelburne, Bowmanville and Des Moines, Iowa.

Finishes 12th In Fiddlers Contest

Mr. Gord Precoor, well known old time fiddler from this area, recently attended the Annual Old Time Fiddling Contest which is held regularly at Shelburne, Ont.

There were 118 contestants at this year's event and Gord placed 12th. He was assured that should he keep on improving he could well be in the big money next year.

Mr. Precoor, along with Jack Veville and Ken Smith who compose a group known as the Highlanders, recently supplied the music for a large wedding dance held at the Thunderbird Golf & Country Club in Ashburn, Ont.

Letters To The Editor

November 27, 1967.

Mr. Editor:

If you have the space in your paper to print this letter I would appreciate it very much. I hope it will end the controversy over the snowploughing of private driveways with Municipal Funds.

I hear through some of my supporters in Stanhope that some of the constituents who are running for office are again promising that if they are elected they will get the private driveways ploughed.

Even if this was possible, I wonder how many of these voters realize that their drive would be ploughed with their neighbour's money, because the Government will not in any way subsidize money spent on private property nor equipment to do the same.

I feel that the majority of the people who keep on asking for the plough to go over their private roads do not realize that if it is allowed we are directly using the taxpayers' money from the whole Township and not one cent of subsidy is received in return. In other words, the summer residents who pay 83% of the total taxes collected in the Township are not only asked to help keep the business of the Township going but to also look after your personal driveway.

As I have said before many times, we need these people and their money in our County in order for us all to make a living, and it is not fair to be using their money when they are not here neither for our own personal gain nor to get a vote.

There are so many things that the elected officers could and should do for the residents of Stanhope Township that I feel

we should get on with Township business and stop spending the summer taxpayers' money while they are not here to see what is going on.

By spending ten dollars of tax money privately, it means that some Township road could have had at least 8-10 yards of gravel put on it to help keep the summer folk happy. People will often ask why the tourists are dissatisfied but if they look the situation over they would see. The majority of them have ten thousand dollars at least in a cottage and lot which they probably only get to a very few weeks of the year but still their taxes are raised.

If I get enough support in the coming election to be put in office as your Reeve for a two year period, I will help see that your tax dollars are fairly spent for the good of all taxpayers, not just a few.

Thank you,

S. G. (Sinc) Nesbitt.
